INVITATION

„CIRENE - Cross-border ICT Research Network" *project*

Project Meeting and Technical Workshop

University of Szeged, Department of Software Engineering
27 April 2012

Dear Sir/Madam,

The University of Szeged, Department of Software Engineering, is delighted to invite you to attend the joint **2nd Project Meeting** and **4th Technical Workshop** event of the **„CIRENE – Cross-border ICT Research Network"** project.

The place of the Technical Workshop will take place at Department of Software Engineering, University of Szeged, Hungary on April 27, 2012.

The planned schedule of the event:

- 11:00 – 12:30:
    - Discuss open administrative issues of closing the first trimester (period M1-M4).
    - State of the survey paper, discussion on the processed papers and the findings, planning how to finish the writing of the survey.
- 12:30 – 13:30:
    - Lunch
- 13:30 – 16:00:
    - Refine, detail, schedule the tasks defined on the last meeting for the next trimester.
    - Presenting background and solutions for java instrumentation, code coverage measurement, test case prioritization and selection.
    - Tool demo of Android Java instrumentation.
    - Coffee break.

Kind regards,

Dr. Árpád Beszédes
CIRENE Project Leader
